

## LIME MORTARS for our Traditionally Built Buildings

**What you wanted to know, but were afraid to ask!**

### CONNEMARA OPEN DAY LIME WORKSHOP by Cleggan Claddaghduff Community Council

**Introducing Hot-mixed Lime mortar and mixes for our West Coast.**

Demonstration Workshop sponsored and supported by **BHIS17**, **Galway County Council** and the **Building Limes Forum Ireland**.

**Tuesday 29<sup>th</sup> August 2017**  
**Venue: The Coastguard Station,**  
**Cleggan**  
**Time: 0900hrs**

The workshop demonstrating the use of lime mortars, will be of interest to those specifying or working with mortars for the repair of buildings. It will benefit the architect / mason and owners making the transition into working on heritage / traditionally built structures and serve as an update for those already working in conservation but who may not have used hot-mixed mortars.

#### Programme:

|                |  |
|----------------|--|
| 0900 – 1100hrs | History and use of lime mortars and the revival of hot-mix.  |
| 1120 - 1300hrs | Why and where to use lime mortars, materials and aggregates. |
| 1400 - 1630hrs | Practical demonstrations and discussion.                     |

#### Participants should go away knowing: -

- the importance of understanding the materials
- how to interpret an existing mortar
- how to specify a good repair mortar

#### Course leaders:

Activities will be led by Ivor McElveen CEng and Laurik Matthieu Mason.

#### Attendance will be certified.

Book your place on [www.buildinglimesforumireland.com](http://www.buildinglimesforumireland.com) €45, Including teas, coffees and lunch. BLFI members, students and unwaged, €30.00.

#### A HMM Collaboration Project.
